“ *Please accept our condolences on the loss of Pat, or "Mrs. Stork," as we in the old neighborhood on Sunset Drive always called her, where she always had a cookie and a smile for each of us whenever we came by to play with Sheila and Mike, which was very often, especially when school was out. She will be missed. Joe Pfister* ”

*So sorry for your loss. Pat was a neat gal to talk with at Brookside. When they had activities, Bub would sit by her and always tell me they had a good time. The memory I have of her was during the activity when they filled the plastic Easter eggs. She filled a couple and looked at Michelle the director and said, "I thought you said this was going to be fun." She will be missed!!*
