“ Having know Bruce my whole life as a neighbor, I have nothing but the fondest memories of him. His laugh was infectious and his spirit bright. He will be missed by all that we're fortunate enough to know him. Pictured here on the bottom of the pile with me having dominated the group, circa 1967

“ I grew up next door to Bruce's grandparents on Park St ,and we used to play a lot growing up. Bruce and his brothers and “Britches” used to have fun climbing trees and getting into light trouble around the neighborhood. He will be missed. My condolences to the family. “ Although my wonderful memories are when I was much younger I can still remember them like yesterday. I will always remember Bruce for his smile and silliness. When Bruce and my brother Jeff would be at the house he would always tease me which made me laugh. Bruce would be at our house often with my brother Jeff always telling stories (or should I say feeding me a line of silliness) May your family find peace and comfort knowing you have gained your angel wings and joined many of friends & family before you. ❤️

My sincere condolences to Pam and family.

Prayers and Hugs 🤗 Bruce you will be missed. 💔

“ Bruce was a childhood buddy when we were little kids growing up on 14th St. We had great “Labor Day” parades with our cardboard Labor Day boxes. May you rest in peace, big guy.
