“ *So sorry to hear of your loss. You have my deepest sympathy. I will greatly miss his visits at N.S. Citgo. I will always remember his huge smiles, hugs, energy, dancing, singing old songs, talking about his garden, and war stories. We made a pact to go for a motorcycle ride on his 100th birthday. I still plan on doing that, only now it will be with his photo in my pocket and waving to him in heaven. Paul will always have a place in my heart.*
