“ *Patty and family-Although Paul and I had not talked much since high school, I always will have very fond memories of those days. I loved Paul as a brother and he was a very good man. May God be with you all as you mourn his loss.*

“ *Patty, please know that we love you and Paul very much. Paul was one special guy. He always had a smile and a kind word for everyone. You brought out the best in him and I thank you for that. I'm just sorry that I wasn't able to see him recently. Through Jack, though, I am able to feel his friendship to the end. If you need anything just call.*

*We love you,

“ My thoughts and prayers are with Paul's family. He will always be Paul Joe to me as I have such fond memories of him when we were kids. I had always wished he was my older brother instead of my cousin that I only got to see occasionally. We all have a new star in heaven shining down on all of us!!

“ My heartfelt sympathies to Patty and the family. PJ was my cousin and lived with us when I was a freshman in high school and he was a sophomore. He will always have a special place in my heart.
