“Uncle Pete had a laugh like no other that I could recognize from anywhere! He had a smile that seemed to be permanent on his face! He loved family and that was evident! I will miss that laugh, the smile, and the smart talk banter back and forth that always ended in a hug. Nevertheless without hesitation he would always be there for anyone who needed him Watch over us with that big smile from up above Uncle Pete! You will be forever loved and never forgotten!❤️
