“ Not many of us have the opportunity to spend over 60 years with our spouse and have had the chance to experience all the memories you and Phil had together. Memories are sometimes what we need to remember to get us through life challenges that face us.
Phil and you were two special people and we are glad we had the opportunity to meet you.

“ Phil was a great Uncle and I admired him 2000+ miles away in California. We last saw Phil and family about 4 years ago. He always looked 25 year younger than me...Glo also! We are both Sigma Chis. Visiting Glo and Phil was like taking a wonderful vacation, great tours of Jasper and French Lick, terrific 'food by Glo' and in a beautiful home in Jasper....and, Shelia and Jayme are very fun cousins. Phil will always be in your hearts and ours. God bless Phil, love to all. Mike and Mary Ann Sermersheim

Even in sorrow I do silly things. I am Gloria's niece. Her sister, Virginia, is my mother. I left out my first name as I signed off. 🥺🥺💕💕
