“ When I first met Phyllis, I had to bring a tractor to Huntingburg. My supervisor wanted her to drive it back. I have to admit I was nervous being a copilot but was very impressed and comfortable with Phyllis. She will be truly missed by all who knew her. Sincere condolences to her family.

I'm deeply saddened to hear of the passing of Phyllis.

Just received a Christmas Card for 2022, and she commented "Stroke, not doing to good".

She was my Mentor at UPS. She was Indiana's first UPS female driver.

I always told myself while in the beginning of my tractor/trailer carrier, "If Phyllis can do it, so could I".

We rode Loretta Lynn's Ranch together. Trail ride and horse camped together.

I will always admire and cherish our friendship!

My condolences to her daughters!

“ On behalf of all the fellow Indiana UPS retirees I want to express our condolences to Don and the family. Phyllis will be greatly missed at our annual picnic here in Avon. I know that Phyllis looked forward to attending each year and we all have enjoyed her friendship at work and socially at our picnics for many years. Her equine skills and dedication were remarkable in addition to her UPS career.

“ *Phyllis was my classmate. I always enjoyed chatting with her at our class reunions. In fact sat across from her at our reunion last year. She said she has had a stroke. Phyllis was a sweet, kind and personable girl. We classmates will miss her. RIP Phyllis Marilyn Klein Dittmer*
