“ To Randy's family, esp to Mrs. Yoder and son, Ryan, who worked the business with Randy in the years they provided such good service to us at the city: Please accept my deep sympathy for your untimely loss. I so wish I could have seen and visited with Randy again during these last several years after my move to the Street Dept. Whenever I would see the truck somewhere I was always with others and not in a position to stop and say hello. But I know and recall Randy as a man of faith, sharing and exempling Christ in all he did, and that gives me great peace at this time. Mrs. Yoder, thank you...ironically more than ever, now...for asking about me on behalf of Randy and conveying his hello to me when I saw you recently at the Huntingburg employees meeting a few weeks ago. God be with you all with strength, peace and assurance in the time ahead.
Regards and condolences-
Mac McDonald
