“ So sorry and sad to hear of the loss of a such a great person. Randy's quick wit was what made anyone who knew him laugh each time you spoke to him. He loved to playfully tease and seemed ready for you to tease him back.

*His love for Becky, their children, and grandchildren was clear to see when he spoke of them...always a smile.*

*Prayers to Becky, Chad, Ryan, Amy, D.J. and the rest of his family. May you find comfort in knowing how many lives he touched and know he will be missed and always remembered for his big heart.*

“ I'm deeply saddened to hear of the loss of a good friend. I'll always remember Randy's love for IU and that brisk walk of his when he'd make his way through the packing department at DIA. He always seemed to be on a mission. Randy always had a joke to share and he loved to know he made you smile. For me, that is the true measurement of one's life. Did you make others smile in your presence? You've done well, good friend. May you rest in peace.
