“ *Uncle Ray, today is your wedding anniversary. I remember that day like it was yesterday. We all miss you. I miss talking to you and your craziness when you answered the phone. I wish you were here to talk to. I know that your are not suffering anymore but there is a void in my heart. Keep peace in heaven with your brothers and grandpa. Grandma couldn't do it by herself. “ I will miss you Uncle Ray. You were the best uncle and godfather I could ever ask for. My parents did well in choosing you for my godfather. I have so many fond memories of you and you will always be in my heart. I can't thank you enough for being there for me when I needed someone to talk to, telling me things about Grandma and when you and my dad were younger. I always looked forward to seeing you when I came to Indiana. I'm so glad I saw you the other week. It's not going to be the same without you but I know you are at rest and not suffering anymore. You are leaving a big void in my life and I am going to miss you so much. Rest in peace Uncle Ray.

Love you  
Your niece
