“ *Norb, We're so sorry for your loss. We'll always have many good memories of Becky. I remember riding in the group that included Becky on the way to the District Convention the day she was baptized. She was so excited, bouncing up and down. She smiled and waved real big to a trucker on the Interstate. I think he honked back. We all had a good laugh over what he must have wondered was going on. It was just Becky being Becky. May your pleasant memories soften the pain over time. Kevin & Sharon*

“ *Norb--we are so sorry to hear about Becky. I know I'd lost touch with you all, but Kevin always kept me up to date on how you were. Becky never got to meet my wife Stephanie, so I'll be glad when they can meet in the New System. I always appreciated Becky's winning smile and good sense of humor.
Love, Kurt*
