“ *Although death is always such a sad event, reminding us that someone we love is no longer physically here with us, I know that we are all well aware that Grandpa Fuhs is in a much better place, in a much healthier body, and surrounded by true love. Richard, you will be missed very much here on earth, but we look forward to seeing you again and sharing with you your first great-grandson. with so much love, Richie, Shannon and baby Thomas*

“ *I am so sorry for your loss. I liked and respected your father a lot, as he sometimes reminded me of my Dad. I know this is a hard time to get through, but take comfort in knowing that he is no longer in pain and suffering, and has indeed, been called to a much better place at the side of God Jim*
