“ *I met Ricky when he lived at the retirement apartments on North Van Buren in Huntingburg. When I came from Florida, to see my mother I was there at least a week. I always was a car nut and was outside making sure my car was super clean. He would come outside and we would talk usually about cars. My sympathy to his family and I am sure sorry about the way he died. He was a fine man. God Bless.*

“ *I am so sorry I could not be there with you all during this difficult time. You are all in my thoughts and prayers. I love you. I will miss knowing Rick is here causing trouble somewhere. I am happy that I can picture him in the Arms of Jesus because he was baptized into God's Family and will now be there forever experiencing Peace, Peace, Peace. God's Wonderful Peace.*

“ I know Rick never understood how much he was loved by those around him. I hope he is now able to see the hearts of those of us who cared so much for him and about him. I hope he can now understand our frustrations of not being able to reach in and pluck those bad thoughts from his mind every day. I pray the Peace of Jesus Rick is now experiencing will trickle down to touch his family and friends as well. May we remember that Rick's soul is not stuck in the tragedy of his death but Rick's soul is now in the presence of Our Lord and Savior Jesus Christ, where there will be no more tears, sadness, stress or pain forever and ever.
