“ Rita, I'll miss you until I see you again. Every since I was about 7 you've been more like family than a friend, even though we lost contact for so many years. I love you. I'd say you were taken too soon, but as a Christian I know God's timing is perfect. I know you're no longer in pain. My prayers go out to your children, grandchildren and brothers and family. Your friend, Sherry Tankersley
