“ Sorry to hear about Chesty's passing. It seems like the trend to just have services before the Church service are more the norm then before. I'm sorry that I was not able to come and give my regards. CHESTY was always one of my favorites. I worked in therapy when he was at Good Sam's assisted living and then the nursing facility as well. He was always a hard worker, and if he didnt work, you knew there was a reason why. I loved our conversations, and he was proud of his Son and daughter, and grandchildren. He was greatly missed by me when he went to St Charles. I was able to stop and see him at times there as well. His legacy will live on through his business. You and your families will cont to be in my prayers, as you deal with his loss. May you find comfort and peace in the promises of our Lord Jeus Christ, where we are heaven bound and made whole again, with no pain or suffering.

“ My deepest sympathy to the entire Luegers family. Chesty was wonderful to my family. It was always great to see him and chat at the dealership. Karen and Chesty were great supporters of our community, PBS, HF, and anyone in need. I hope the memories you hold dear bring you comfort. May Chesty enjoy eternal rest with his beloved Karen.

“ Please accept my deepest condolences on the loss of your beloved family member. Chesty was my classmate. I didn't see him after graduation, however last year he attended our Mini Reunion in September. I am so glad he was able to join us for lunch at the Schnitzlebank. He seemed to have a really good time visiting and sharing fond memories of the past.

*May his soul rest in peace for all eternity!*
