“ *Berger-Priest Family, I'm sorry to read of Robert Lee's passing. I grew up in Jasper, part of the Berger relation, a cousin somewhere along the line. I need to check our genealogy if Andy and Clemmy were brothers??? My dad was Sylvester "Bugs" Berger, Andrew W Berger's son. They lived on 9th St half a block from Berger's Grocery. His name is on the step of the front porch. You probably haven't been there much. Clemmy and Mary, I remember well, Ruth and Robert of course. Rags was my uncle, they were around the same ages, few years older perhaps. He passed away in '81. I lost track of your family over the years, living in KY and the elders having passed away. My dads been gone since '60, mother passed in '05 at age 98. I can still picture Robert Lee delivering groceries in the truck. My how times have changed. I'm 76, so they were enough older than me, that I looked up to them. Their place at the White River was neat too. I'd see them some when I'd visit people there. I'm sorry for your loss but it brought back many fond memories. RIP Robert Lee. Prayers and sympathy, Sarah Berger Humphrey Muncie IN, formerly Jasper IN*
