“ I pray God is with all of you during this difficult time. I am Bob's Cousin Judy Cummings. My husband and I went to see Bob when he was in rehab in Indianapolis. He was so grateful that a family member came to see him. He is 3 months younger than I am and I used to see a lot when we would go to Jasper to see Mom's family. I always enjoyed being around Bud, Verla and Bob. Verla used to come up to see us in the summers and we would spend quality time together on the farm. I had four sisters so there was always something to do on the farm. Tell cousins Verla and Bud I love them and I know Bob knows how I feel about him. Even though I didn't see him often after we grew up, I still remember all the great times we had together. And to be honest, I was always afraid of Uncle Joy. Big guy and loud from what I remember. Take care and believe God is with you. Mom will be happy to see her nephew Bob again. God bless you all.
