“ Ron was a great leader of Company D Rangers!! He was well liked and respected by all the men and we Rangers were proud to serve with him in Vietnam!!! In the years that flowed we all kept in touch with each other thru regular reunions and lunches. Ron was present at all of them other than the last one in August. We have monitored his condition thru his series of cancers and he has remained then and will be forever in our hearts. RIP dear Ranger Ron. You lead the way for all of us!!!

“ God bless Ron's memory.. To friends & family who didn't know— Ron attended Redeemer Lutheran Church occasionally, where I served as pastor for almost 3 years.,, ... and he always sat in the back row. He referred to himself as the 'back row sinner'!! I shall never forget his smile & his love for his God. Pure Gift.

“ To a wonderful big brother who taught me much about farming, equipment mechanics, driving tractors, trucks and straight shifts, how to water ski, my first taste of cheesecake, how to be a loving father and about many of the wonder years of growing up, I say thank you and a life’s job well done because your family displays all goodness you had to give all the successes in all the right places. A true patriot who served his country well and a Christian who is still serving GOD. His soul is blessed. Brother Tom
