“ *We had the pleasure of working with Ron at Shiloh. He was a kind, generous, and hard working man. He was always into helping the students enjoy their day at school and helped to make everything clean and fun for them.*

*Holidays were always more fun because Ron got into it with us to make them fun like St. Patty's Day helping to make the room look upside down and then blaming the leprechaun. He shared his love of family with us and we saw his eyes widen when speaking about the big deer and a bucket of fish he and his boys got. Also we got to see his soft side when he tragically lost his favorite little buddy. His bravery to battle fires and injuries says so much about him. Wish we could of said good-bye in words but his kindness and generosity will also remain in our hearts. RIP Ron! Donna and Carla*
