“ *We are sorry to hear " Santa" got his "wings". We appreciate all the years he brought the Special Christmas Memories to our grandkids...even a couple great-grands. While we never knew him on the street, we are ever thankful for they knew he was for real! He even commented on how he remembered them them growing up into fine young adults. After the "excitement ", he always got his picture taken with a "Coca-Cola" and straw. Thanks for the " Memories " and Thanks to his family for sharing the time for us. 🙏*
