I am so very sorry to hear of Ronnie passing. He was such a friendly person. Always a smile on his face. Every time we would run into each other he always had a few minutes to chat and bring a smile to my face. Such a good heart. We will miss you cousin. My heart goes out to Hunter, Donnie, Kevin, Keith and family. Rest in God's Glory Ronnie. Love you

“ *Looking back one of my favorite childhood memories was Ronnie and me going downtown goofing around after school. One time that found me stuck alone in the bank elevator that we had taken for a ride. I still don't know how he managed to get out and I got to spend an hour or so stuck waiting for maintenance to "rescue" me! Lol! He could always make me laugh it off and then we were off to the next adventure! As we grew up we didn't spend a lot of time around each. That's just how life goes I guess. Even so, I will miss our cousin. Rest in peace.*

“ My uncle Ronnie had a big heart and would do just about anything for his family and friends. In the past few years I didn't have a whole bunch of contact with him but if I saw him somewhere he always made a point to come talk to me and acted like he just seen me that same day. When I was younger after losing my mom he would always take me to Oakland city every Friday so I could stay with my grandma for the weekend to help dad out because he was working 7 days a week to make sure I was taking care of the best way he knew how! Before we would go he would take me through the burger king drive thru and get me 2 plain double cheeseburgers so I had something to eat on the way. He was always telling me about stuff he would see on the way and try to explain what it was. He would also take me and Hunter to the farm sometimes and it was always a fun and memorable time to say the least. When he would drop me off at grandmas he would always say "Don't have to much fun and just remember I love ya! If you need anything you know where I'm at and don't hesitate to come by the house." You will be dearly missed and loved and thank you for all the memories uncle Ronnie Don't have to much fun up there and just remember I love ya!!! Rest in peace!!
