*I remember when Aunt Rosalee and the Erny's surprised us by traveling all the way from Jasper to Arcola to celebrate our parents', Robert and Helen, 40th Anniversary party. I remember standing in the hallway at Saint Patrick's right after Mass and saying hello and not even realizing it right away as we had not expected to see anyone from that side of the family because of the travel distance. It was a wonderful surprise and great to talk with her then.*

“ *David and I are so sorry for the loss of Rosalee. When I came into the Weyer family almost 30 years ago she and Vince welcomed me in with open arms which meant the world to me. I can't imagine our family celebrations without her smile, her slaw and her tolerance of Leon's pestering her during a lively card game. RIP sweet lady, we love you.*

“ Aunt Rosalee and I go back a long way when I was a kid and she worked at Uncle Clet's grocery store. I used to spent the night at Grandma's --hide outside in the bushes to spy on Rosalee coming home from a date . I'm so thankful I got to see her one last time last fall. She's looked great but had lost weight. I had to ask her how old she was because I'm not that far behind her. I always loved seeing Rosalee and Vince and going to the Family Reunions when I could come home. Now all the Meyer kids, - Grandma and Grandpa can again play cards have a great time seeing each other . Know they will smile down and bless all the grandchildren and great grandchildren. Hope all of them Knew How Much We Loved Them .
