“ *Everyone in Jasper remembers Mrs. Schuler as their music teacher in grade school! She was energetic and enthusiastic in everything she did from her job to playing the piano. I think her love of music was the spark which gave me my love of music, along with HS music. I loved her accent and opera voice! Her knowledge of Europe and speaking all her languages fascinated me! To my surprise, she came to live at Legacy where my mom is and immediately recognized me and my brother! What an amazing woman! God Bless her in Heaven and may perpetual light shine upon her! She is most definitely DIRECTING the Heavenly Choir of Angels!*

“ I always knew Rosina as Mrs. Schuler. She was my music teacher at 10th Street Elementary school for many years! She made me love music and was a huge part of my childhood! Us students always loved to do her music programs because they were so much fun and gave a great excuse not to be in regular class! Rosina also knew my family very well! She was a huge part of the Saint Joseph Church choir and would sing every Sunday and on special occasions with my dad! I am so sad to hear of her passing! She will be missed terribly! The family has my prayers and condolences!
