“ Her entire family and all of her friends are in my thoughts and prayers during this time. She was just an awesome person. You just couldn't be around her much at all without that smile of hers starting to make you smile as well. She will certainly be missed by a great deal of people that she has worked with over the years as well. May God give you all the comfort that you will need until you are all reunited again.

If the world had more Ruthie's, what a wonderful world we would live in. I will never forget our talks about the beach, our certain faces we would make when we walked by each other and only the two of us knew what they meant, we wouldn't have to say a word and start laughing. Your family at Jasper Rubber will continue to "Keep Smiling" and we will continue to keep your memory alive. Thank you for everything you did for me and for being such a wonderful friend. Love and Miss you forever! Melissa and Mike Hayden

“ *After my husband and I got married, we moved into an apartment in Ruth's neighborhood. We got to know her and Marty and their family dog, Winston, on the many walks that we each took our dog on. She was a very friendly lady, always talking and sharing a friendly smile. I never forgot her and her kindness! Hated to hear she was battling cancer, but now she is no longer suffering! She is an angel looking over her wonderful grandchildren and family! She will be missed!*

“ So sorry to loose this great lady. I was there for her as a co-worker, a boss and more importantly a dear friend. She did not hesitate to line me out if she thought I made the wrong decision at work. She always had kind words and a smile for me and everyone she came into contact with. She will be missed and not forgotten. Heaven is her new address.
