“ Joe and Boys, Bill and Denny,  
So sorry for your loss. She was one of a kind and had more freckles than anyone I ever knew. Sally and I were close high school friends and sat together in the Castle Band playing flute. What fun we had and so many adventures (I'll never tell.). We did love going to all the Castle basketball games. Sally would get so excited she would hyperventilate. We'd empty our popcorn and have her breathe into the sack until she'd calm down. She kept us up on her family whom she was so proud of and loved so much. She truly had a zest for living. Rest in peace old girlfriend. Till we meet again.

“ Our deepest sympathy to the families. Sally was such a wonderful friendly person who always greeted you with a smile. She liked to collect old buttons and we found a few jars for her. She will be a great addition to the angels in Heaven!
