“ Sam was so kind and thoughtful. We are going to miss him coming over to the house. He always had a big smile and would give you the biggest hug. I remember him showing up at 2:45 am at Holy Family to do the stations of the Cross when he was in college. He was so active in Bosco in high school that he kept blessing us with surprise visits at his favorite traditions even in college. His loving presence is going to be missed. Praying for family and friends during this difficult time.
