“ *I will miss Sarah! She was a wonderful sister! I loved her a lot and always will. Jesus wanted her in heaven with Him and can anyone dispute that. We should all give God Glory and Praise!!! It is painful as the heart of humans will grieve, however remember how she suffered, how she endured suffering and where she is now. She is where all of us should long for. I believe Sarah would tell all of us to take the steps necessary to someday meet Jesus. Thanks sis for all you did for me. Ed*

“ So many memories a book I could write but one thing I do know that Sis had the biggest heart that anyone could want. She worked so very hard to care for her family an on top of that she cared for Mom an Dad till the end. She would listen to anyone an help if she could .This world sure needs more of that compassion that she was full of. My Heart aches that we were far apart an I didn't get to see her before she left but I'm sure between Mom An Dad an Norma an Mike an many others she's not suffering anymore. Just remember Sis to save us all a place so we can all be together again an tell the family there that we all miss them terribly an things have never been the same without them. I Love You an you will always be in my heart. RIP Sis!!
