“ I thought very highly of Scott. He was a person I always looked forward to seeing and talking to. On several occasions he gave me very good advice and I found him to be a good listener. He was a kind and thoughtful friend who had a quick laugh and a happy demeanor, even when things didn't break his way. I liked him very much and am sorry he is gone, and I send my deepest sympathy to his family, who should be proud everyday of what he made of himself in a tough world.

“ I have only known Scott a short while, but became aware that he was a master at his craft, and a happy, generous man. His love for his children, whom he loved very much, was first in his priorities. His home was beautiful and meticulous. I will miss him very much. My sympathy goes out to his family for a loss that came too soon.

“ Dale & Debi,  
Just a note to let you know how sorry Mike & I are to hear about your brother. It has been about 16 months since our experience with heart attacks...even though it seems like yesterday.  
Our thoughts and prayers are with you. If I can do anything for either one of you, personal or business, just let me know and it will be done.
