“ Shannon was my friend and neighbor and I will miss our talks. She was always there when I needed her and I tried to do the same for her. She was a great sitter for my cats and loved them the way I do. Rest in peace my friend!

I have fond memories of Shannon when we were growing up we lived in the same neighborhood. We attended the same school. I also remember when my sister and her friend used to babysit Shannon and i would tag along and Shannon and I would play for hours. I haven't seen her in along time, but we recently got connected on facebook, so glad we did. She was a Beautiful person and friend. I could see how much she was Loved and how much her family Loved her. I know she will be missed! Praying for the family!!

“ I have not seen Shannon for several years. She friended me on FB a few years ago I and I was able to reconnect. Certain people I remember well from high school and she was one of them. She always had a big smile and made everyone with her laugh. I'm sure she will be missed. My condolences to the family and especially the grandchildren... the part of life she enjoyed the most. Life is too short and this will be a tough loss for many.

“ I have so many memories with Shannon, since we have known each other since first grade. I haven't seen her in a while, but we kept up on Facebook. The memories that really stick with me is when she kept trying to get me to ask out my now husband, and way back in grade school when she tricked me into eating raw potatoes. She was a good friend and she had a great sense of humor.
