“ My memories of Sharon go all the way back to high school where I was a classmate. I very well remember the trio in which she participated. They were very good and were almost treated as celebrities. Sharon was always a kind and well respected classmate.

“ Sharon made you laugh, cry and think. She was a wonderful person who loved people, but also was straight forward. Maybe that's what made her who she was. She will be missed but her memories that we have will continue on. God Bless the family at this time.
