“ Sharon will always be my favorite cousin of all and will always be remembered for her beautiful smile and kindness to my family over the years and for the laughs she brought to my mom and dad over the years when they would visit with Dennis and her when they came to Jasper. They would rather come to their house than anywhere and spend time with them and their beautiful family. There was always so much love to go around. I loved the beautiful cards she would always send to both my mom and to me and cherish each and every one of them. I love you for always Sharon and I am so glad that your suffering is over and you are at home with Jesus.

Sharon and her family were friends with mine during the first 16 years or so of our lives. The kids spent many Saturday evenings together as our parents went out with other friends for a night out. Then I went away and only came back recently. One time Pam and I had a chance to meet up with Dennis and Sharon for a Sunday meal. Sharon will be missed by a lot of us and I pray that Dennis and the kids will know how much we feel their loss.

“ When we lived in Haysville, years ago, Sharon watched my children, and later two of my grandchildren. We also worked at the Schnitz together, and some of the traveling salesmen insisted we were related, or even sisters, well Sharon and I would laugh, and then she would say, "Well if we are, I'm the younger one." She was an out going person who never met a stranger. She was so proud of Dennis, her children and grandchildren. Sharon will be missed by every heart she touched. Judy Lorey.

Dear Dennis and family, Our family would like to express our deepest sympathy at the passing of Sharon. Although we have not lived in the Jasper area for many years we have fond memories of all the wonderful people there in that small community. Sharon took wonderful care of our first born daughter Maggie in 1983 and 1984. We loved her so much and felt like family. We send prayers of strength to all of you. Michael and Kimberly Eman
