“ *Sharyal and I worked together for 20 plus years. We all liked calling her Grammamaw.*

Birthday cakes made by her on your Big Day was always the best gift. We often spoke about writing a book about our work time together. ...she was a witness one day to a customer hitting me....and told me she was glad I ask him if I could help him when he walked in! I miss you my friend, and I will see you later. We will finish the book together.
