“ *I cannot express the sorrow I feel for you and your family. I have been thinking of you nonstop since I heard the tragic news. My words cannot take away any pain, but I am here to support you as best I can. I'm not sure I'll be able to come for the visitation so please know you are in my heart.*

“ *Shawna, I can't believe you are an angel now. I will miss your laughter, smiles, and kind words. I have only known you for 2 years but you made a huge impact on my life. Watch over your family and send angels to watch over your mom. I was so jealous of your relationship because you were so close and my son doesn't want me in his life. You were so full of love and life. Because of your death, I am going to find my son and try to rebuild our relationship. Fly free our beautiful angel...I love you. Becky and Rick, I cannot tell you how sorry I am for your loss.*

“ Rick, Becky, Matt, Travis, Jacklyn and Ava: I know there are no words that will give you comfort, but take comfort in the fact that your family spent all your time together and loved each other dearly. When I think of Shawna, I will remember the time she was dancing on stage with her friends at her graduation party. She had such a pure heart and soul. You are in our thoughts and prayers during this difficult time

“ All of my thoughts and prayers go out to your family. My daughter Jessica was very close to Shawna. She came home with Jess several times on the weekends last school year. It was always so much fun to have her at the house. Shawna was so beautiful and just one of the sweetest people I have ever meet. I am so sorry I was not able to be there with Jessica to meet all of you. I hope soon I will be able to meet the wonderful family that she talked so much about. Teresa Waugh

“ I was so shocked to hear about Shawna's accident. I wish I would have taken the time to talk the last time I saw her. She is truly an angel who treated everyone like her best friend. I'll never forget how sweet and energetic she was. She was always the most fun person at musical practices, and we'll all miss her.
