“ *I remember Sheila from Farbest Foods. We both worked there in the 80s. It was a pretty terrible job, but Sheila always made laugh! I particularly remember an occasion where we were cleaning up after work and she had us both laughing so hard that we were holding on to the sink to keep from falling down! I always looked forward to seeing her at work, and am saddened to find her obituary. My condolences to the family; RIP, Sheila.*

“ *Sheila wasn't prefect, but who is? Those who are posting rude things I would appreciate if you could not. She was my aunt and I loved her. She doesn't deserve such rudeness.*

Sheila, I love and miss you.
