“ *To the Bair girls. There has been many ladies I have met in my life who have made a positive impression on me. Your mom was one of them. I love to talk with her whenever I would come to your house to buy eggs to take to my family in Kentucky. I found her to be very wise, a woman who could speak her mind! She was full of determination and positive beliefs. I know her daughters have the same characteristics. Be very proud that your mother was a grand lady!*
