“ *Paul and children, how sorry to hear of your loss, Sherry always had such a positive outlook, even as a little girl when things weren't just what they should have been. She was a darling to all that knew her. Paul, I also lost my better-half 17 yrs. ago, Jimmy Revelett could never be replaced. Likewise, Sherry is a treasure now just beyond the sunset. (I wish cancer would get cancer and die; so many could live.) Love and prayers, Margaret Revelett-Bullock*
