“ Allen, our hearts broke when we heard that Sherri passed away. Our memories of riding horses with her and how we got a horse trailer from her - she was so willing to be of assistance with our questions and even helped train one of our horses! Our prayers go with her into Eternity, but will also remain here with you and your family. God Bless! Sharon and Howard and Maria

Sherry and I were childhood friends and she never changed. She was the same where ever I saw her. I spent so much time with her when we were growing up even then her passion was horses. Prayers for you all.
