“ My sympathy to the family. I knew Shirley from Good Sam retirement. Shirley was always one of my favorite. She liked that I was in high school when Mike was, and that I knew who he was. We talked about his basketball, and a little about each of her children. She was proud of each of her children and their spouses. She would be on my schedule when she was on therapy, because of the repore we had. She will be missed. I pray that you find comfort in the Promise that we find in Christ, of Everlasting life with Him, to those who know him. May God give you comfort and peace. I would like to be at the visitation but I will be out of town that day. please except my condolences.

“ To all the Ballenger kids,

I am so sorry to hear Shirley passed. It's such a difficult time and an end to an era. I last saw Shirley in 1991 when I had the neighborhood reunion. I was glad she was able to come. Hope you are all doing well, and so sorry for your loss. That neighborhood holds a special place in my heart, and I feel like we were all family.
