“ *She was the best grandma in the world. Always made sure you were doing okay and bragged on me all the time. We would watch baseball together even though she didn't know any of the reds players she still watched it because it meant time between me and her. I love you grandma and I will always miss you.*

“ My fondest memory of Shirley Meyer is the day I met her for the first time, she opened her arms to me and told me welcome to the family and from that day forward has treated me like her own. I have had the privilege of being part of Shirley's life for the past 20 years, I could not have asked for a better Mother-in-law, or a better grandmother to our daughter.

I love you Shirley Meyer and will miss you for the rest of my life.

“ Sending my sympathies to all of you. I have great memories of Shirley having grown up across the street from you all. The fun we had and the trouble we could get into:) couldn't have asked for a better childhood on Terrace Avenue! She was a wonderful Mom and loved her children and grandchildren. Hold tight to those memories in the days to come. 🙏
