“ Prayers to the family. I had a conversation with Stacy about a month ago. Long story short, I asked if I could visit her, she said she would love the company. I am kicking myself because I never made the time to go see her. She was always smiling and full of joy. I know I will miss her. See you on the other side.

“ A memory from way~way back. This was taken at my 21st birthday party (Nov. 1993) at Mariah Hill conservation club. I had gotten Boogie Tunes DJ service and there were a couple hundred people there that night. Stacy was always a happy person even when times were tough. She always fit in with everyone that met her. Her and I were friends all throughout life. She did my acrylic nails and manicures for 15 years. She was a great cake maker too who made the best fondant I have ever ate! She was as true as gold and will be missed very much. Many Prayers going out to all who were touched by this beautiful human being. Rest in peace Stacy💜until we meet again.
