“ *I have so many memories of Stan, my cousin. We never lacked for conversation and laughter. We had some serious talks, but always interjected with humor. I'm so glad I got to spend time with you just a few months ago. Thank you Gretchen for your dedication, determination, love and care you've given him. Love you all!!*

“ *I will always remember Stan as my navigator. He was my navigator when we went on bus outings at St. Charles Health Campus. I hope he continues to be my navigator from the heavens above 🙏*
