“ Thank you for the gift of your friendship for Carmen and for me, the time spent traveling to and from work each day with him forging a friendship that truly did last a lifetime. That we all know has ended way too soon. I am so grateful that you were there for him, to allow him to vent in the way that sometimes only a true friend can do. You were a man of good character and a strong sense of humor and you two got each other! I am so happy that you and Ann ( SO MUCH MORE THAN COMPANION ) were able to visit us here in Florida. I'm saddened that the dream of renting the beach chairs to tourists will not happen. Ann you will always be welcome to make an escape to our home, you know our hearts are breaking for you all, as the tears will continue to fall in the Sunshine State!
