“ So sorry to hear of Steve's passing. Steve was my supervisor at Contel for many years. I found him to be fair, a mentor, a teacher, open to discussion on projects and work. When unknown "others" would deliberately rearrange his "pencil drawer", he would gracefully and without anger, place the items back in their proper place. Wherever he landed in life and job, I knew he would be an asset in the spot where life placed him. With condolences and respect.
