“ Bob, I'm sorry to hear of your loss. I wanted to add that although much distance has kept us apart, the memories I'll keep with me are of a curled up Ginger, a Flower Garden I wish I had, and beautiful memories adorning the walls.

I know it's no consolation but knowing we'll see her again, not as humans with human emotions, rather as a Brand New Being with nothing but love in our hearts gives me great comfort.

With all our love and compassion,

Michael James Skelton (Rhodes)
