To the entire Gibbs family, Please accept my deepest sympathies & condolences. I pray can soon find peace through your sorrow. Tammy may you fly high in the heavens above.

"My Echo"

*During this difficult time
I know how you must feel
It's like a big dream right now
Until it hits you as real
Your loved one is really gone
And I know it's so sad to see
But hadn't it have happened
It wouldn't have been meant to be
So GOD takes us for a reason
And that we all must learn
But someday it will get easier
But you may still always yearn
So think of all the memories
That all of you have shared
I know in your heart Tammy
Was one who really cared
