“ At one time in our lives Terry was my best friend. On one of our "excursions," we ended up in Chattanooga in an elevator with STEFANO DiMERA! (In case you're not familiar with him, he was a "villain" on DAYS OF OUR LIVES) She was not awestruck in the least and actually asked the lady with him, "So. Are you here on your own free will or has he kidnapped you, like he does everybody else?" The doors opened and "Stefano" and his lady friend hurried out of the elevator! She was always putting others before herself and helping anyway she could. I am very sad to hear of her passing and send love and condolences to Toby, Carrie and the rest of the family. Rest easy my old friend until we meet again....Amy Tinkle
