“ *Mary Sue and Dave and family...I have been putting off sending you our families condolences, because it's far too difficult and painful, knowing how you are suffering, and knowing that we can't do anything to change that. Losing a child has to be the most cruel fate that a parent can experience, and I'm so sorry that you are having to go through this. All I can do is offer up prayers of peace for the upcoming days, weeks, and months.*

“ *We cannot express enough the sadness we feel to hear about Ted's passing. He was such an accomplished young man. We always admired how hard he worked towards his goals. He did such a super job with his 4-H projects. It seems like only yesterday that the girls were at the sitters house with him. We will always remember his kind heart and smile. God Bless his family during this difficult time.*
