“ *Beautiful Cook daughters and families, Loved your dad and have many of his wood creations at home to remember him by. Ran across this thought by George MacDonald and wanted to share "The whole history of the Christian life is a series of resurrections ... Every time a man finds his heart is troubled, that he is not rejoicing in God, a resurrection must follow; a resurrection out of the night of troubled thought into the gladness of the truth." Praying for you during your grieving season and the season of resurrection in your lives. So grateful our lives were graced by the beauty of your parents, Polly and Tom ~ Much love, Rodney and Susan Jordan*
