“ *I just learned of Tim's passing when I tried to call him today. Fearing the worst I then went on line and found his obituary. I met Tim back in the 90's in Georgia. I loved him dearly. He was the great love of my life. I moved away to Texas and we kept in touch every few years. The last time we spoke was Summer of 2009. My heart is broken that I will never get to hear his great laugh again. Rest in peace my dear friend!*

“ *Dear Family, I just learned of Tim's passing. I knew and loved Tim about 25 years ago. He would periodically keep in touch with me. Since I hadn't heard from him in a few years, I looked on-line and found this. I met one of Tim's sister's but can't remmber her name (she had a German shepherd dog). Tim always told me I would love his sister because she was just like me - and I did. The world will have a big hole from his loss.*

“ I am sorry to learn of Tim's passing. I hired Tim at Vantive in the mid 1990's and worked closely with him for several years. Tim was bright, very knowledgeable and extremely funny. I talked with him on the phone a few months ago, and it took us about 5 seconds to achieve the same levels of irreverant banter that we enjoyed so much in the 1990's. I will miss Tim, and I send my condolences to everyone who was close to him.

“ I am so sorry to hear about your loss. Tim was a wonderful man to work with. I was just conversing with him on the 28th of May about his Linked In account and social networking and I am shocked by the loss. I enjoyed his wonderful sense of humor and considered it a privilege to work for him at earthlink. He was a good man and a good friend. Ryan

“ Dear Betty,
So sorry for your loss. Didn't know Jim, but he was much too young to die. Can't come to the services, as we are in Florida, but we'll talk to you when we get home in a couple weeks. Love and prayers,
Leon and elfrieda
