“ *Mary Ann I was so sad to hear of Tim's passing he was a great guy and as kind as anyone I think I've ever met*

I just found out recently of his passing and it has still not sunk in quite yet as I'm sure you feel the same and that you miss him dearly

He and I had a lot of Coach BK stories and we were both fortunate to have one another to exhale with on those memorable rounds with him-I will keep those stories going now I've lost my witness to some of those outings

I hope you are well and I really hope that time eases the pain

“ Mary Ann, I am so very, very sorry to hear about Tim's passing. I know the memorial service must have been beautiful, and full of so many wonderful stories. We were out of town on vacation, or I would have been there. Tim was such a pleasant and fun person. We just had seen him in the IU Athletics Dept. the week before -- so this news is shocking. Mary Ann, I am here for you if you need anything. God Bless all of you! Prayers to the family and Tim's soul.

“ *Tim and I were fraternity brothers in Pi Kappa Alpha, and I recall him fondly for his character and huge personality. He was a bright and uplifting presence around the house, and there was never a dull moment when Tim was holding court. I recall he was quite the athlete, socialite and scholar as well. Although I haven't seen Tim since graduation, I will never forget the young man who became a beloved husband and family man. My wife Nancy and I extend our sincere condolences to his widow and extended family.*

“ *Mary Ann & Rohleder Family,*

Tim's sudden passing is such a big loss to those who knew & loved him! Although I had not seen him often in the last years, he surprised me at the IU golf course to watch my daughter play a college event. Now that is a supporter of all who have Jasper connections. I was raised two doors from Tim, his brothers & sisters, and can only imagine how much he will be missed by all. RIP, Tim.

“ *Tim was a memorable classmate at JHS, and continued to acknowledge his roots in a most positive way throughout his lifetime. His love of his hometown, his family, and his wife Mary Ann made him special to be around. He was a close-by neighbor while in Bloomington and would always greet me with a smile and kind word. I find it difficult to accept his passing so soon. God bless you, Tim, and be eternally happy in His loving arms.*

“ Uncle Tim will be greatly missed by the Wiedenmann clan. The family hasn't yet had the opportunity to reminisce about all the great memories but I know we all have them. Two words that immediately come to mind are generous and humorous. But on a personal level I remember how much fun he was. Whether it was doing magic shows in the basement, a giant pile of leaves in the backyard, hiking up mountains in Tennessee, sports of all sorts, and of course watching Hoosiers for the first time. I will miss uncle Tim and am so blessed to have had him in my life. Thanks for all the fun times!

“ Dear Mary Ann and Family,
I'm so sad about the passing of Tim, one of the finest men I have ever known. We were "IU Baseball Buddies" for several years, attending dozens of IU home games and always standing in the same spot above 3rd base. Tim also sat a few rows below me at IU basketball games and we always chatted. And, he would sometimes stop by our IU football tailgate. He was patient enough to ask me to join him in a few golf games and was always good for an IU sports discussion on email. I will miss him so much! All my thoughts and prayers go out to you.

“ *First, allow me to express my sympathy to Tim's family. Over the years I got to know several of his family. I feel the loss too*

I'm not really sure how long I've know Tim. Our friendship revolved mainly around IU sports (football, basketball and baseball) and my favorite memories are tailgating in Space 89 of the Orange Lot for may years now. He always was glad to see me as I was coming from Springfield, Ohio, a three hour drive (pre-IN37/I-69 construction). He could never quite figure out that I was that dedicated of a fan to come to almost every home game, but it was because of people like Tim that I kept coming back and enjoyed ever minute of being there. He never knew a stranger and yes, he was a southern Indiana story-teller par excellence. He and Mary Ann always made sure this transplanted Hoosier enjoyed my time in Bloomington.

Our tailgate will be a little diminished this fall. I'll miss ya' buddy.

“ Tim was a lifelong friend and classmate. He never met a stranger, had a great sense of humor, and was an accomplished storyteller. He remembered minute details of crazy things we did 50 years ago, which the rest of us had forgotten. We've had seats with Tim and Mary Ann at IU football games for many years. At one of the games, Tim went out of his way to explain the action on the field to a young Chinese student he had befriended. He loved being front and center at countless IU athletic events. Tim was also a strong supporter of the JHS Class of 1966 Endowment, which was established in 2015 for the educational enrichment of students at JHS. Shelley and I are grateful for the life that Tim had and the time we could spend with him. Our love and deepest sympathy to Mary Ann and Tim's family.

“ My family has known Tim and Mary Ann for over twenty years. Tim is the most loyal (male) Indiana fan I have ever met (Mary Weidenbenner, from Evansville, who passed away in late May, was the most loyal (female) fan I know). Tim was not fanatical in his faith in the Hoosiers, but just true and steadfast, year in and year out, always cheering for and supporting all of the IU teams and student-athletes. Tim was also a wonderful male role model for both of my sons, as they grew up spending a lot of time in the athletics department after hours and at events. He and Mary Ann would always talk with them about subjects they knew the boys were interested in and get them Christmas gifts when they were young. It is just so hard to imagine that such a wonderful man is gone so fast. He was always so vibrant, full of life, positive and a true gentleman. My memories will include how much he loved Mary Ann, IU Athletics, and anyone with ties to Indiana (especially those from Jasper). My family's thoughts and prayers will be with Mary Ann and Tim's family and friends in Jasper, Bloomington and elsewhere.
